

Memorial bricks are available at Aviation Heritage Park. You can be a permanent part of our future with a personalized brick set in our Memorial Plaza. Take this opportunity to have your name (or someone of your choice's name) engraved and installed at the park.

For a donation of \$100 your brick will have three lines of engraved characters. Each line may contain 20 characters (including letters, spaces and punctuation) and each letter will be about 3/4 of an inch high. *All suggested inscriptions will be subject to the Regulations and Guidelines adopted by the AHP Board of Directors on October 27, 2010. The board's decision will be final.

Memorial bricks are installed in batches in the park by volunteers when the weather is appropriate. Turnaround time on these installations can vary.

Memorial benches are also available in the AHP Memorial Plaza. You, your business, your VFW or your organization can remember your loved ones and our local heroes with a beautiful, decorative bench. For a donation of \$2500 your bench will have a metal plate inscribed with your name or other sentiment. Benches are placed around the park near the aircraft. **Call or email us to buy a bench.**
