

**Museum Memorial bricks** are available at Aviation Heritage Park. You can be a permanent part of our future with a personalized brick that will adorn the Museum's exterior walls. Take this opportunity to have your name (or someone of your choice's name) engraved and installed at the park.

For a donation of \$100 your brick will have a brass plate with three lines of engraved characters. Each line may contain 20 characters (including letters, spaces and punctuation) and each letter will be about 3/4 of an inch high.

\*All suggested inscriptions will be subject to the Regulations and Guidelines adopted by the AHP Board of Directors on October 27, 2010. The board's decision will be final.

These pre-ordered memorial bricks will be created and held until time for the museum dedication. After their installation, those who ordered memorial bricks will be notified and invited to attend the opening of the museum. All memorials pre-ordered before the museum is complete will be placed at one time. After that event, memorial bricks will be placed once or twice per year.

Make your park in the Aviation Heritage Park Museum and be a part of our tomorrow. To support the museum by purchasing a memorial brick complete and mail this form to the address below or call us at (270) 421-4885.
